Mr. Kevin Martin, Chairman
Federal Communications Commission
445 12th Street SW
Washington, DC 20554

Dear Mr. Martin:

We respectfully ask that you and your committee reject the proposal by the "Inter-carrier Compensation Forum," a coalition of SBC and other big phone companies that want to raise the Federal Access Charge on our bill to \$10 per month.

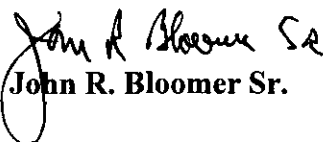

This proposal eventually would raise our phone bill by \$66.00 before we even make one call.

Please take a strong stand today to protect consumers from this unwarranted rate hike.

As a monopoly we have no other place to turn to hold down our phone costs.

The best we can learn is that SBC, and the other phone companies also asking for this raise have not substantiated that they actually need this rate increase.

Sincerely,

John R. Bloomer Sr.
